

Victory Graphics Limited Environmental Policy Statement

Caring for the environment is a fundamental element of a sustainable business. As such Victory Graphics strives to minimize the environmental impact of its operation and is committed to abide by all respective laws and regulations.

We believe that we can create a positive impact on the environment by focusing our efforts in a number of ways.

- Avoid waste at our site by reduction of use of material
- Re-use material where possible
- Recycle in most efficient manner in cooperation with specialist, registered companies
- Controlled thermal use where no recycling is possible
- Use landfill only when unavoidable

Victory Graphics identifies, analyses and controls waste streams and manages reduction of these.
